[is a way to say What's going on?]

Since the days of watching my Mama cooking back home in Jamaica and through my days of culinary school, deep down, I've always wanted to share with the world my own version of Jamaican Cuisine! Though the cooking is original and the cuisine is authentic, I have always wanted to fuse different flava dimensions that make your soul experience much more unique ...Now it is here in your neighborhood and I hope you enjoy it.

"Likkle more" translates to "little more" but actually means "see you later" ~Chef Omar Mckay
